in this book from the critically acclaimed little people big dreams series discover how astrid lindgren grew up to become one of the world's best loved authors

and the creator of the irresistible pippi longstocking little astrid grew up on an old farm in sweden her childhood was very happy so happy that she never wanted to grow up when she was four her friend edit read astrid her first story suddenly the entire place was filled with giants witches and fairies they all came out from a magic object call a book astrid did her best to learn how to read and once she started she couldn t stop soon there were no books left to borrow from the library and her friends learn how astrid turned her love of books and telling stories into a career as a world renowned author this moving book features stylish and quirky illustrations and extra facts at the back including a biographical timeline with historical photos and a detailed profile of the inspiring writer s life little people big dreams is a best selling series of books and educational games that explore the lives of outstanding people from designers and artists to scientists and activists all of them achieved incredible things yet each began life as a child with a dream this empowering series offers inspiring messages to children of all ages in a range of formats the board books are told in simple sentences perfect for reading aloud to babies and toddlers the hardcover versions present expanded stories for beginning readers boxed gift sets allow you to collect a selection of the books by theme paper dolls learning cards matching games and other fun learning tools provide even more ways to make the lives of these role models accessible to children inspire the next generation of outstanding people who will change the world with little people big dreams

dream patterns teaches readers to identify the significant meaningful patterns in their dreams and how to use that knowledge to make changes in their waking lives almost every book on dream interpretation emphasizes the interpretation of individual elements of individual dreams but dreams contain much imagery that is not meaningful or interpretable dream patterns shows how to break through the noise created by physical sensations events of the previous day intrusions of

conscious thinking and other stimuli to reveal repeating imagery and themes that reflect unrecognized patterns in our waking lives awareness of these patterns liberates us from them and empowers us to live our life more skillfully this book is for dreamers of all skill levels from people who rarely recall and have never before studied their dreams to people who have spent years studying their dreams but who want to get more out of them you will learn how to recall record and analyze your dreams and then how to apply the lessons of those dreams to your waking lives while dream patterns emphasizes long term patterns and expresses skepticism about the value of most individual dreams it does teach you also to recognize and benefit from those few dreams that really are significant in isolation such dreams include big dreams that reflect major life and spiritual changes

in this book from the critically acclaimed multimillion copy best selling little people big dreams series discover the life of prince one of the most iconic performers in music history from a young age prince was obsessed with music even though he couldn t read it his talent whether on piano drums guitar or vocals turned him into an icon combining funk disco soul and almost every other genre out there his songs are some of the best loved all around the world prince knew that he didn t have to be like anyone else to be a star and there was no one quite like prince this inspiring book features stylish and quirky illustrations and extra facts at the back including a biographical timeline with historical photos and a detailed profile of the music legend s life little people big dreams is a best selling biography series for kids that explores the lives of outstanding people from designers and artists to scientists and activists all of them achieved incredible things yet each began life as a child with a dream this empowering series of books offers inspiring messages to children of all ages in a range of formats the board books are told in simple sentences perfect for reading aloud to babies and toddlers the
